### **Attention Exhibitors**

These tests may be canceled in the event of extreme weather conditions. No refunds will be given if the test cannot be held or completed due to riots, civil disturbances, an act of God, extreme or dangerous weather conditions, public emergency, or any other reason beyond the control of BCOSW.

Acknowledgment of entries will be made by email as soon as practical after the closing date. Should such acknowledgment not be received by the exhibitor within a reasonable time, please contact the Test Secretary.

**REFUNDS AND FEES: Entry fees shall not be refunded** in the event that a dog is absent, disqualified, excused by a Veterinarian or Judge, or barred from competition by action of the Test Committee. If because of riots, civil disturbances or other acts beyond the control of the test-giving club it is impossible to open or to complete the test, no refund of entry fees will be made. Postdated and returned checks do not constitute a valid entry fee. The test-giving Club will add a collection fee to the amount of each returned check (\$20). Subsequent returned checks from the same exhibitor may result in their being put on a cash only basis.

Bitches in season will be refunded the entry fee less \$3.50 per run if requests are submitted to the Test Secretary at least 30 minutes prior to the start of judging for the day and are accompanied by a veterinarian certification.

### **LIABILITY**

BCOSW assumes no responsibility for any loss, damage or injury sustained by exhibitors, their dogs or property, children or guests.

Neither the test committees nor the test-giving club will be responsible for the loss or damage to any dog on the test grounds, whether as a result of an accident or any other cause. It is clearly understood that every dog entered in the test is in the care, custody and control of its owner or handler during the entire time the dog is on the test premises.

Exhibitors, Owners & Agents assume all responsibility for dogs & equipment on the show site.

**Mixed breed dogs** that have been listed with AKC Canine Partners may participate provided their listing number has been recorded on the entry form. Breed should be marked as "All American Dog."

**ERRORS ON ENTRIES:** Owners are responsible for the accuracy of the information required on the entry form. Changes, additions, or corrections to an entry, entry substitutions, or cancellations by the owner must be received in writing (email accepted) by the Test Secretary prior to the closing date of the test. Other means of notification will not be accepted.

**BCOSW reserves the right to remove any dog in distress in a parked vehicle or crate.**

Please keep the grounds clean by picking up after yourself and your dog. Dispose of 'poop' bags in the trash containers provided there. Please keep the test site, grounds, and motel rooms and grounds clean so we may continue to be welcomed at these facilities.

**VACCINATIONS:** Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

**What Must A Dog Do To Pass The C.A.T.?** The Coursing Ability Test (C.A.T.) is a pass/fail. During a Test the dog runs the course once without any other dogs. Because safety is of the utmost importance, the C.A.T. takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic strips or bags.

**Dogs Less Than 12" Tall & "Flat Faced" Dogs.** Any entrant that is less than 12" tall at the withers and/or brachycephalic will run a 300-yard course with turns no more acute than 90 degrees. *For a 300-yard course, a dog must complete the test in less than 1 ½ minutes.* If your dog will be running the 300 yard course, please check the appropriate box on the entry form.

**Dogs More Than 12" Tall.** Any entrant that is taller than 12" at the withers and not brachycephalic shall run a 600-yard course (or as close to 600 yards as possible) with turns no more acute than 90 degrees. *For a 600-yard course, a dog must complete the test in less than 2 minutes.*

**Shorter Distance for Veteran Dogs:** Veteran dogs may be allowed to run two-thirds of the normal distance at the handler's discretion. For the purpose of CAT tests, veteran dogs are defined as dogs over 7 years of age. The handler must declare prior to the start of the dog's run which distance the dog will run. This means that a veteran dog which would normally run the 300 yard course may run 200 yards and a veteran dog which would normally run the 600 yard course may run 400 yards. Time to complete the course remains the same. Veteran dogs completing the shorter course will continue to earn legs toward the current CAT titles. The premium for the event shall state the distance for each course, including that veteran dog's may run two-thirds of the normal course distance at the owner's discretion. (change to section 9)

***If there is a question which course a dog should run, the judge will decide.*** In order to pass, the dog must complete the course with enthusiasm and without interruption within the maximum amount of time for the course length. The judge keeps the official time and decides the merits of the dog's performance.

**C.A.T. Titles:** Four titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher-level title superseding a lower level title.

**Coursing Ability (CA)** – Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

**Coursing Ability Advanced (CAA)** - Dog passes the Coursing Ability Test ten times.

**Coursing Ability Excellent (CAX)** – Dog passes the Coursing Ability Test 25 times.

**Coursing Ability Excellent 2 (CAX2)** – Dog passes the Coursing Ability Test 50 times. A higher numbered title will be awarded for every additional 25 passes.

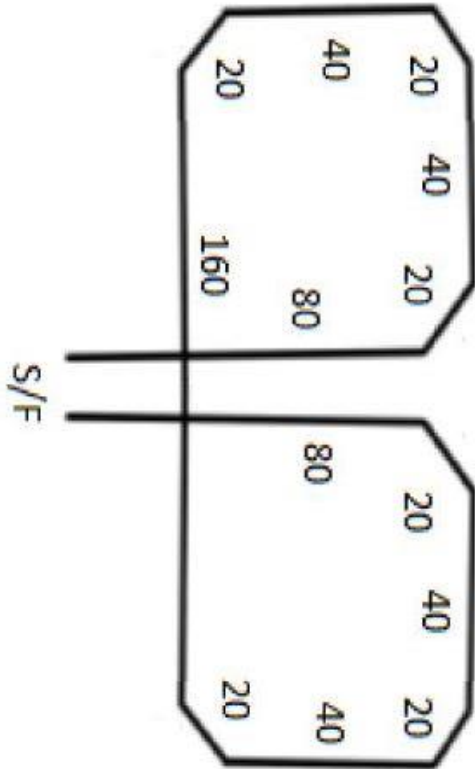

#### **General Information:**

1. All entries must be one year of age or older on the day of the test or test.
2. Dogs not present at the time of roll call will be scratched after a five (5) minute grace period.
3. Each entry will be examined at **inspection**. Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the inspection committee, any entry found to be lame, unfit to compete or a female in season shall not be allowed to enter. Entry fees for bitches in season refunded with veterinary certificate.
4. Dogs will be inspected before each Event.
5. Run order will be based on order set by the field committee. We will separate the running of multiple dogs handled by a single handler. If a dog is late for their run time they will run at the end of the running order.
6. Dogs may wear any collar except a choker collar, a collar with prongs or an electronic training collar. The collar should be snug to minimize the chances of getting hung up on something during the run. Owners should be aware that there is a chance that tags hanging from the collar could become entangled on something during the run. Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.
7. Electric continuous loop machines will be used. Lure will consist of white plastic bags or plastic strips.
8. The field committee reserves the right to alter the course plan as required by weather and/or field conditions on the day of the test.
9. The field committee reserves the right to bar known aggressive dogs from the event site.
10. There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or leaving garbage on the field.
11. No one will be allowed on the field without the express permission of the field chairman, except the appointed field committee.
12. Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.
13. Control of dogs IS strictly enforced. They must be on leash at all times except when running.
14. Please pick up after your dog and put in receptacles provided at site.
